

Giving back commitment O My Bag

O My Bag is a social enterprise with the aim to not only be profitable, but also give back by approaching business in a fair, environmentally friendly and responsible manner.

We reserve 1% of our annual revenue each year for social or environmental impact. We partner up with NGO, non-profits or sustainable advisory organizations on issues that help us make the most impact. As a brand we find it important to give back and support local projects in the larger communities where we produce. We focus our efforts on women empowerment, education and environmental solutions.
